Re: National Contractors Insurance Company, Inc., a Risk Retention Group

Dear Ms. Whitney:

We have registered the National Contractors Insurance Company, Inc., a Risk Retention Group as a risk retention group eligible to do business in this state.

The group's registration may be revoked should it be determined that it does not meet the then current requirements for such organizations. In other words, "grandfather rights" are not conveyed by this registration. Other grounds for revocation are mentioned in Chapter 284-92 WAC.

Sincerely,

A handwritten signature in black ink, appearing to read "James T. Odiorne", written over a large, stylized circular flourish.
