Re: National Contractors Insurance Company, Inc. A Risk Retention Group

Dear Ms. Whitney:

This letter may serve as official notification that effective National Contractors Insurance Company, Inc. A Risk Retention Group, domiciled in the state of Montana, has complied with the Wyoming Risk Retention Act and is, therefore, authorized to transact business as a risk retention group in Wyoming.

W.S. '26-36-105(d) states in part "All premiums paid for coverage's within this state to risk retention groups shall be subject to taxation at the same rate and subject to the same interest, fines and penalties for nonpayment as that applicable to foreign admitted insurers . . ." Enclosed is the Quarterly Premium Tax Return Form PTQ09, to submit your quarterly premium taxes. Our current tax rate is .75 percent on a retaliatory basis and you are to pay whichever is greater.

Sincerely,

A handwritten signature in black ink that reads "Ken G. Vines".

Insurance Commissioner
