This department has completed their review of the application for National Contractors Ins. Co. Inc. a Risk Retention Group to become a recognized risk retention group in the state of Kansas.

We find that National Contractors Ins. Co. Inc. a Risk Retention Group appears to have met all of the requirements of the Federal Liability Risk Retention Act of 1986 and applicable Kansas Statutes effective February 22, 2010.

Should you have any questions, please feel free to contact this department.

Very truly yours,
